A Message from Gary

15 years ago, we opened the doors of Fresh Gym with a vision to create a space where individuals could transform their lives through fitness and community. This will be a true celebration of our community - past and present - so members and friends are all welcome for an evening of great food and music surrounded by friends. This is more than just a party - it's a celebration of our very special Fresh community. We look forward to many more years of health and happiness together.

We expect tickets to go very quickly and once they're gone, we just can't add any more. If you'd love to be part of this special night, we highly recommend booking now.
